Bio

Stew Goumans

Director of Community & Customer Engagement | Ekahau

Stewart brings over 20 years of extensive experience in wireless design and implementation to his role at Ekahau. He serves as a key technical resource for customers and channel partners, and co-hosts Ekahau's bi-monthly webinar series.

With a diverse background spanning enterprise, financial services, healthcare, logistics, mining, cruise lines, and government sectors, Stewart offers broad industry knowledge and a strong aptitude for technical problem-solving to support customers and partners.
